The monthly prayer list and current newsletters are posted at our alumni website: www.auwesleyalumni.org. We still have a lot we'd like to add, but the site is getting better every day. Alumni can also log into cmist (the online database) or chat on the blog using your cmist login. If you don't know yours, email me and I'll reset your password so cmist will tell you what it is! You may update your own information on cmist and look up other Wesley alumni. Don't miss out! Soon, we'll have an opportunity for online donations . . . Please use the "Contact Us" portion of the site to contact Heath about the website or to contact me. He's done a great job!

"On Eagles' Wings" should show up in your mailbox any day now, as it's already left our post office. Please continue to send me updates on your mailing address and email address.

Thank you for praying - we'll never know exactly how each prayer makes a

difference, but we do know that your prayers affect this ministry greatly.
Thank you, thank you. God is still doing mighty works in the hearts of
students and the lives of others through this ministry!

Blessings,
